Men Are Created Equal

Does Everyone Believe in Liberty These Days?

Here at Western Hills We Believe in It.

Best wishes to Mary Esther
R.W. Cadwallader Our Principal Believes in It.

And So Do Our Counselors.

Arthur J. Havlovic

In the picture to the left our principal, Mr. Rayburn W. Cadwallader, discusses school questions with the officers of the Student Council: Jack Gannon, Mary Wheeler, Kenneth Bassett, and Betty Dieckmann. To the right is the Assistant Principal, Mr. Arthur Havlovic, and the counselor of tenth, eleventh, and twelfth grade girls, Mrs. Dorothy Heninger.

Our forefathers have handed down to us through generations the tradition of liberty. We have always believed in it and cherished it. We have fought great wars to preserve it. Because of it we have enjoyed health, wealth, and happiness. These in turn have placed upon us the honor and grave responsibility of world leadership. Why should we not believe in liberty today and guard it jealously as our most precious possession?

A. J. Havlovic

Counselors encourage students to plan their lives and take places in a world where personal choices are our right and privilege. To know how to make these choices intelligently we learn to consider our interests, abilities, and aptitudes and the needs of the community so that we can best serve ourselves, our families, and our country. In so doing students will be better equipped to preserve the liberty which is our heritage.

Mrs. Dorothy Heninger

Everybody believes in liberty; liberty means freedom from bondage.

A free man is master of himself. How far can we go toward mastery of ourself? How much responsibility do we desire? Many need and wish some guidance, control, and support. We may even enjoy enslavement to loved ones, church, profession, or cause. Liberty begins with **us**. As we learn more and more to master our own lives, we will discover that we have fewer and fewer bondages. We can have as much liberty as we desire.

R. W. Cadwallader

Here at Western Hills we students believe in liberty too. With careful thought, we elect our homeroom representatives to Student Council. As good citizens we accept and enforce the decisions of our Student Council. We realize the need for the voice of authority and recognize the fact that the decisions of the administra-

tion are made for the common good of all. Only when we can be good citizens of our school can we become worthy citizens of the United States. With this important thought in mind, we constantly strive to make democracy live at Western Hills.

The Student Body

Our Teachers Believe in Liberty Too. They

In our faculty section we have tried to carry forth our theme and show the good will between the members of the faculty and the student body. Our teachers have been taken in informal groups without heed of departments. Whenever possible they have been taken with their good friends who are members of the faculty. The sequence of our section begins in the morning and runs throughout the day. It can be appropriately called "A Day at Western Hills."

☆ ☆ ☆

Art has been a main outlet for creative expression since man's beginning. Misses Marguerite Davis, Irene Blasch, Helen Hoover, and Mr. William Marshall lend skillful hands in training in all phases of art to our many talented art students. Western Hills students have taken the majority of prizes in all art contests for many years.

☆ ☆ ☆

Music proudly takes its place beside art in the archives of culture. Western Hills is proud to offer all kinds of music from the classics to be-bop to its students. Every one thrills to the works of the music department as Mr. Brady directs our band on the field and our orchestra in our auditorium. Our choir under the baton of Mr. Christian Kapphan is well known for its performance of Handel's "Messiah" and other works just as popular with music lovers everywhere.

Take Advantage of Their American Freedom.

Biology, botany, zoology, physiology, physics, chemistry, and general science are the sciences offered in our curriculum. As such they form the foundation for answers to the "why and what" of things about us. Misses Ruth Ann Brugmann, Mary Dourson, Betty Mathis, Adeline Greensmith and Messrs. Charles Kopp, Howard Dunkel, George Sting, Robert Morgan, Cliff Johnson, Harry French and Chester Thomas teach us the importance of science in everyday life as well as advanced applications.

☆☆☆

In our household arts department our girls learn to be better mothers and wives of the future. Through the help of their teachers Misses Dorothy Smith, Mildred Botto, Julia Clark, and Mrs. Elma Mendenhall, they soon become qualified for their jobs of the future.

☆☆☆

To the left are seated Miss Brugman and Mr. Chesley studying a program board. Lower left: Miss Logue, Mrs. Henderly, Misses Shirley Heis, Kolks, Marian Rothert, and Blanche Emmes are standing at the office counter before school. To the right Misses Hobensack, Hardman, Blasch, and Mr. Fouch are about to punch the time clock. Lower right: Misses Slutz, Dufficy, Krasne, and Mr. Hess smile as they enter school from the parking lot.

They Make Social

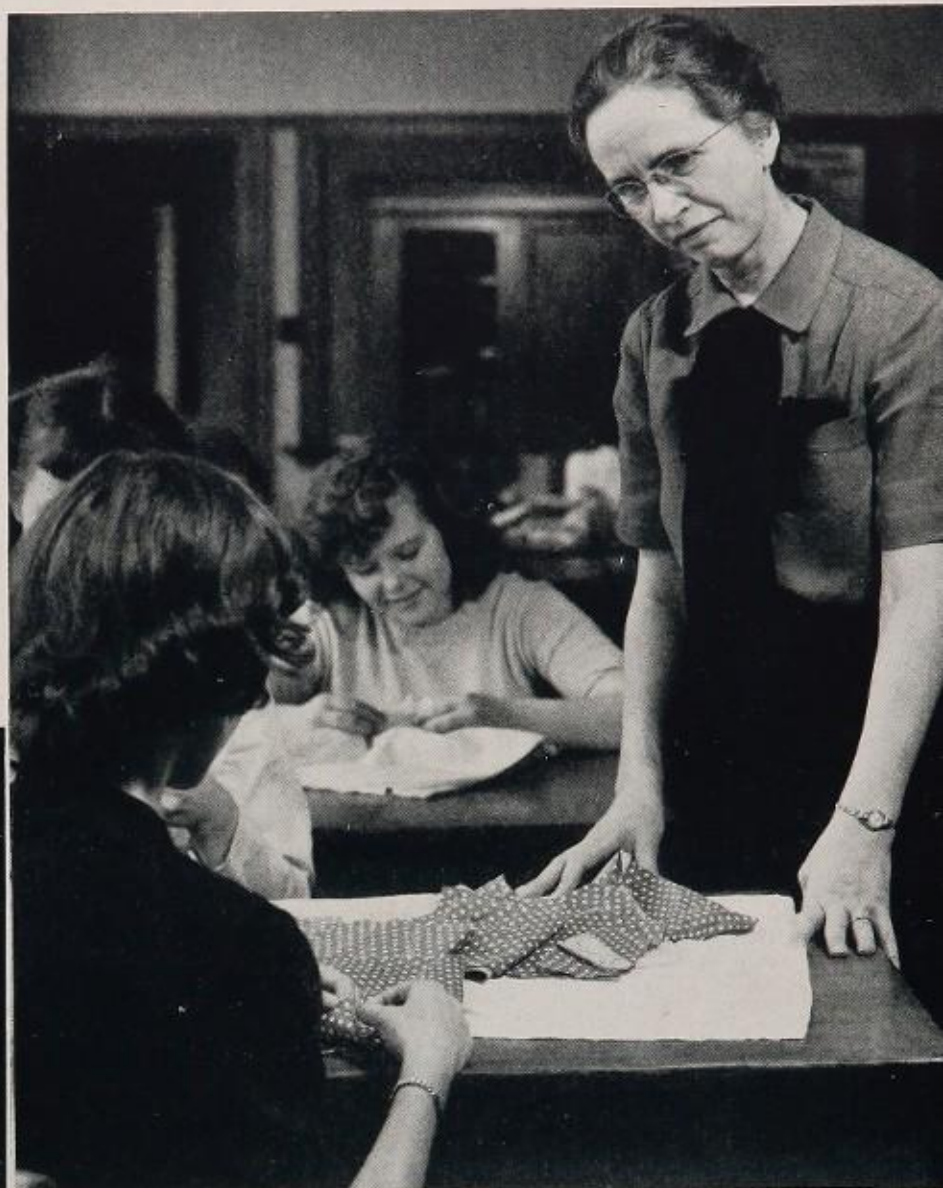

Above: Misses Bayha, Walters, and Mathis read their evening mail. At right: Misses Long, Mastin, and Marckworth enter the elevator. Below: Messrs. McCartney, Dunkel, Marshall, Nohr, Sting, Wellman, Crandall, and Herrle confer in the Men's Faculty Room.

Contacts and Intimate Friendships.

Complete courses in mathematics from arithmetic to trigonometry, solid geometry, and college algebra are offered to math students at West Hi. While Misses Jean Guethlein, Olivia Marckworth, Dorothy Petersen, Mrs. Dorothy Edgeworth, Messrs. William Huth, Wesley Pollock, Herman Yung, and Alfred Schick pound the fundamentals of arithmetic and plane geometry into the heads of their students. Mrs. Helen Walter and Miss Clarice Hobsensack explain again and again a formula in trig or algebra or a proposition in third dimension for solid geometry students.

The three pictures on this page are as follows: Mrs. Mendenhall instructs a student in sewing. Mr. Thomas, Miss Geeting, and Mrs. Fouch are watching lines in the second floor hall. Miss Petersen, Mr. Schick, Mrs. Watson, and Mr. Kuhn chat as they walk to their classrooms.

Typing, shorthand, bookkeeping, accounting, and office practice are the courses offered in our commercial department. Misses Clara Yalen, Edith Shank, Eleanor Schilling, Roda-pearl Bayha, Magdalena Hein, Mary Elizabeth Davies and Mr. Wellman are the competent leaders of this department. A commercial student from our school has a fine chance for his future in the *world of business.*

They Strengthen The Student's Doctrine

As a student becomes advanced in any line of endeavor, he realizes the need for expression through writing and speaking. Our English department teaches us to express ourselves clearly and to understand other people in the world through reading about them. Misses Thelma Baechle, Francis Brown, Eda Devine, Mary Dufficy, Virginia Good, Anna May Klaserner, Thekla Kolks, Ruth McKinley, Florence Tebbenhoff, Irene Walters, Lenore Weber, Mrs. Mildred Rees and Vesta Watson, and Messrs. Thomas Burns and Arthur Chesley lead us in the varied fields of English.

☆☆☆

Western Hills is fortunate and proud to have a fine school library. Misses Glass and Logue, the school librarians, are there at all times to aid and guide our students in finding reference material, non-fiction and escape literature.

☆☆☆

Messrs. Pollock, Miller, and Miss Good listen to a joke while watching lunch lines. Messrs. Klippel, Yung, Kapphahn, and Wollenhaupt chat over an open fire while Misses Glass, Davies, Brugman, Mrs. Mendenhall, and Miss Logue prepare food at the teachers' picnic.

of Liberty Born in Him and Nurtured Throughout

To students at Western Hills, the differences of language barriers no longer loom in their way to understanding other peoples of the world. Misses Bess Bolan and Verne Hardman add to our understanding of cultural things by teaching us well the Latin language. Mrs. Louella Fouch brings the spirit of gay France to our hearts as we study her French course. Mrs. Louella Fouch and Mrs. Betty Henderly teach us the enticing language of our neighbors to the south, and Mr. Karl Herrle teaches us German, a language of science and culture.

Misses Burk, Witte, and Steinmetz discuss the trophies won by the girls' gym. Miss Klaserner watches the lines from her doorway. Messrs. Morgan, French, Clark, and Johnson tape the football players' ankles for a tough game.

His Childhood. Who Are Our Teachers,

After studying world history, American history, sociology, and economics, we understand more readily the world around us, its peoples and problems, its trends of history. Misses Laura Fisher, Anne Geeting, Rebecca Krasne, Jeanette Long, Dolores Mastin, Dora Slutz, Elizabeth Suter, Mrs. Thelma Morris, and Messrs. Thomas Fouch and Henri Hess are the faculty members who help us attain this worthy goal. Today it is especially necessary for all of us to know our fellow men well, and this can only be done by understanding them through contact with them and through knowledge of their lives and customs.

Mrs. Walter and Miss Guethlein confer over a math problem between classes. Miss Bolan listens intently to the musical ensemble of Miss McKinley's third bell class. Miss Tebbenhoff shows a student a doll for one of the many Red Cross boxes sent from Western Hills.

Counselors, and Principal? Who Are We Students?

Mrs. Rees, Misses Brown, Davis, Weber, and Hoover look up from their lunches for a moment. Misses Gates and Mildred Huseman look over one of our many account books. Mr. Huth, Miss Greensmith, Messrs. Kopp, and Dunkel pause from inspection of scientific equipment.

Mechanical drawing, and electric, metal, wood, and print shops form the backbone of the industrial arts department of our school. Messrs. Wm. Crandall, Everett Miller, Raymond Abercrombie, Fred Klippel, Glen Wollenhaupt, and David Kuhn take pride in teaching mechanics to a large portion of our student body. These subjects form a firm foundation for future success in the world of industry.

When we seniors entered the seventh grade at Western Hills in 1943, we didn't think much about what dear old West Hi would mean to us in the future. We trudged from class to class and stared wonderingly at the big seniors. As we passed from grade to grade, we were gradually molded by our teachers, fellow students, and administration heads into genuine high school kids. When we reached the ninth grade, we thought, "Oh boy, now we're climbing fast toward the top." The fellows and girls

Great Land of Ours.

began to have more and more dates, started at the bottom in high school athletics, and for the first time chose their own courses in the curriculum. In our sophomore year we started on the road to becoming big wheels. Everything was working out just right. During our junior year we felt the glory and responsibility all around us of becoming next year's seniors. Now we are the seniors, the leaders of the school. We don't feel so awfully big. We feel the challenge of next year looming ahead of us, pleasant to some and not so pleasant to others. We all know the need of facing that challenge; and when we have faced it and met it, then will we take our places as worthy citizens of tomorrow.

October

- 11—We forget the Truman and Dewey campaigns long enough to elect our own class officers. Congrats to J. Gannon, J. Callahan, M. Wheeler, and G. Sample.
- 15—Back in the old stride again. We make up for last week by rolling over Covington Holmes 33-7.
- 22—"Pick a cat out of the pumpkin, little girl," said the witch (M. Moss), "and you'll find out who your big sister is." All the seventh graders got a senior guardian at Sr. Girls' Club Big-Little Sister Party.
- 23—Grab the cow bell and confetti, and get ready for a big evening at Nippert Stadium. This year's double-header featured nine bands as well as the games. West Hi whitewashed Central 25-0.

October

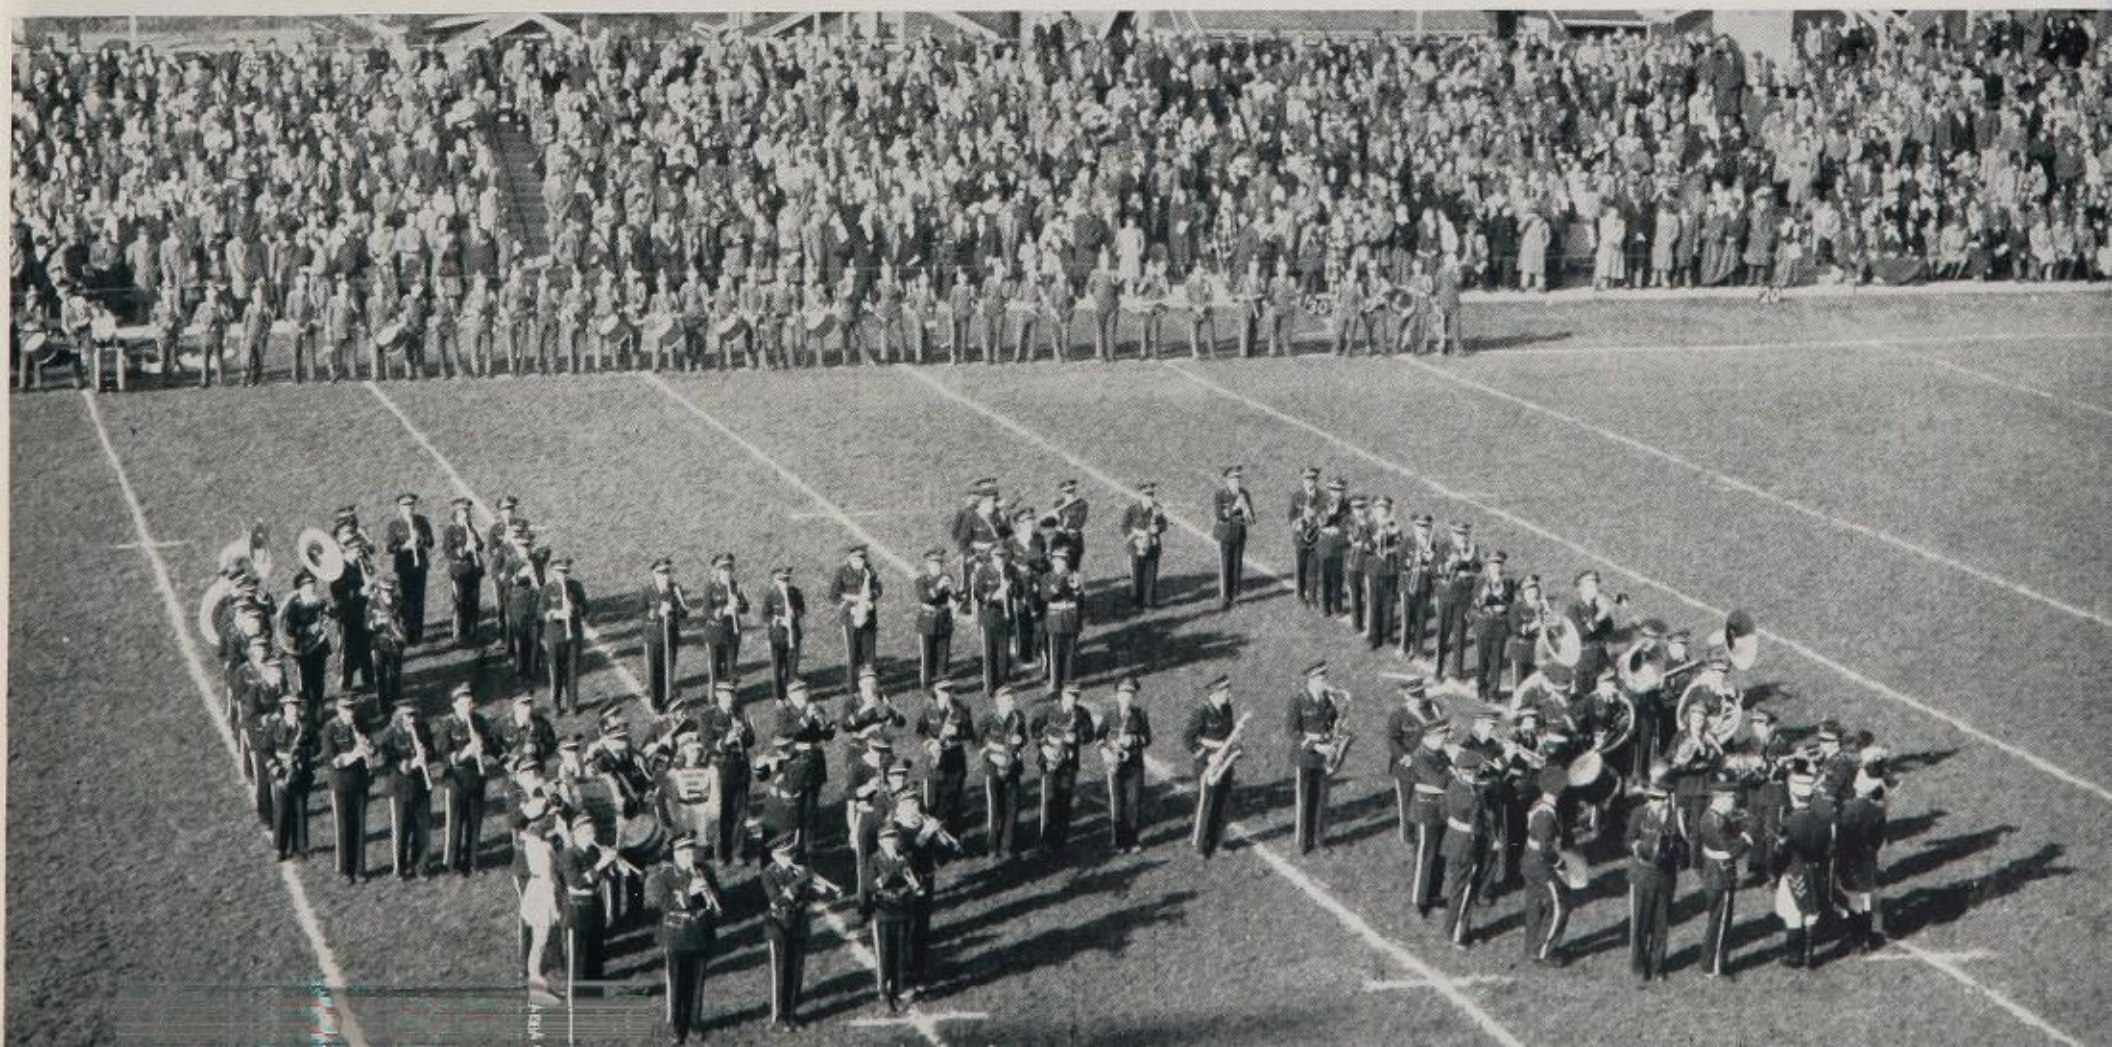

25—We stop for a minute in the mad rush called life for the inspiring Vesper Service given by Hi-Y and Y-Teens.

27—Jack Gannon, our man among men, is our representative for Boy's Week.

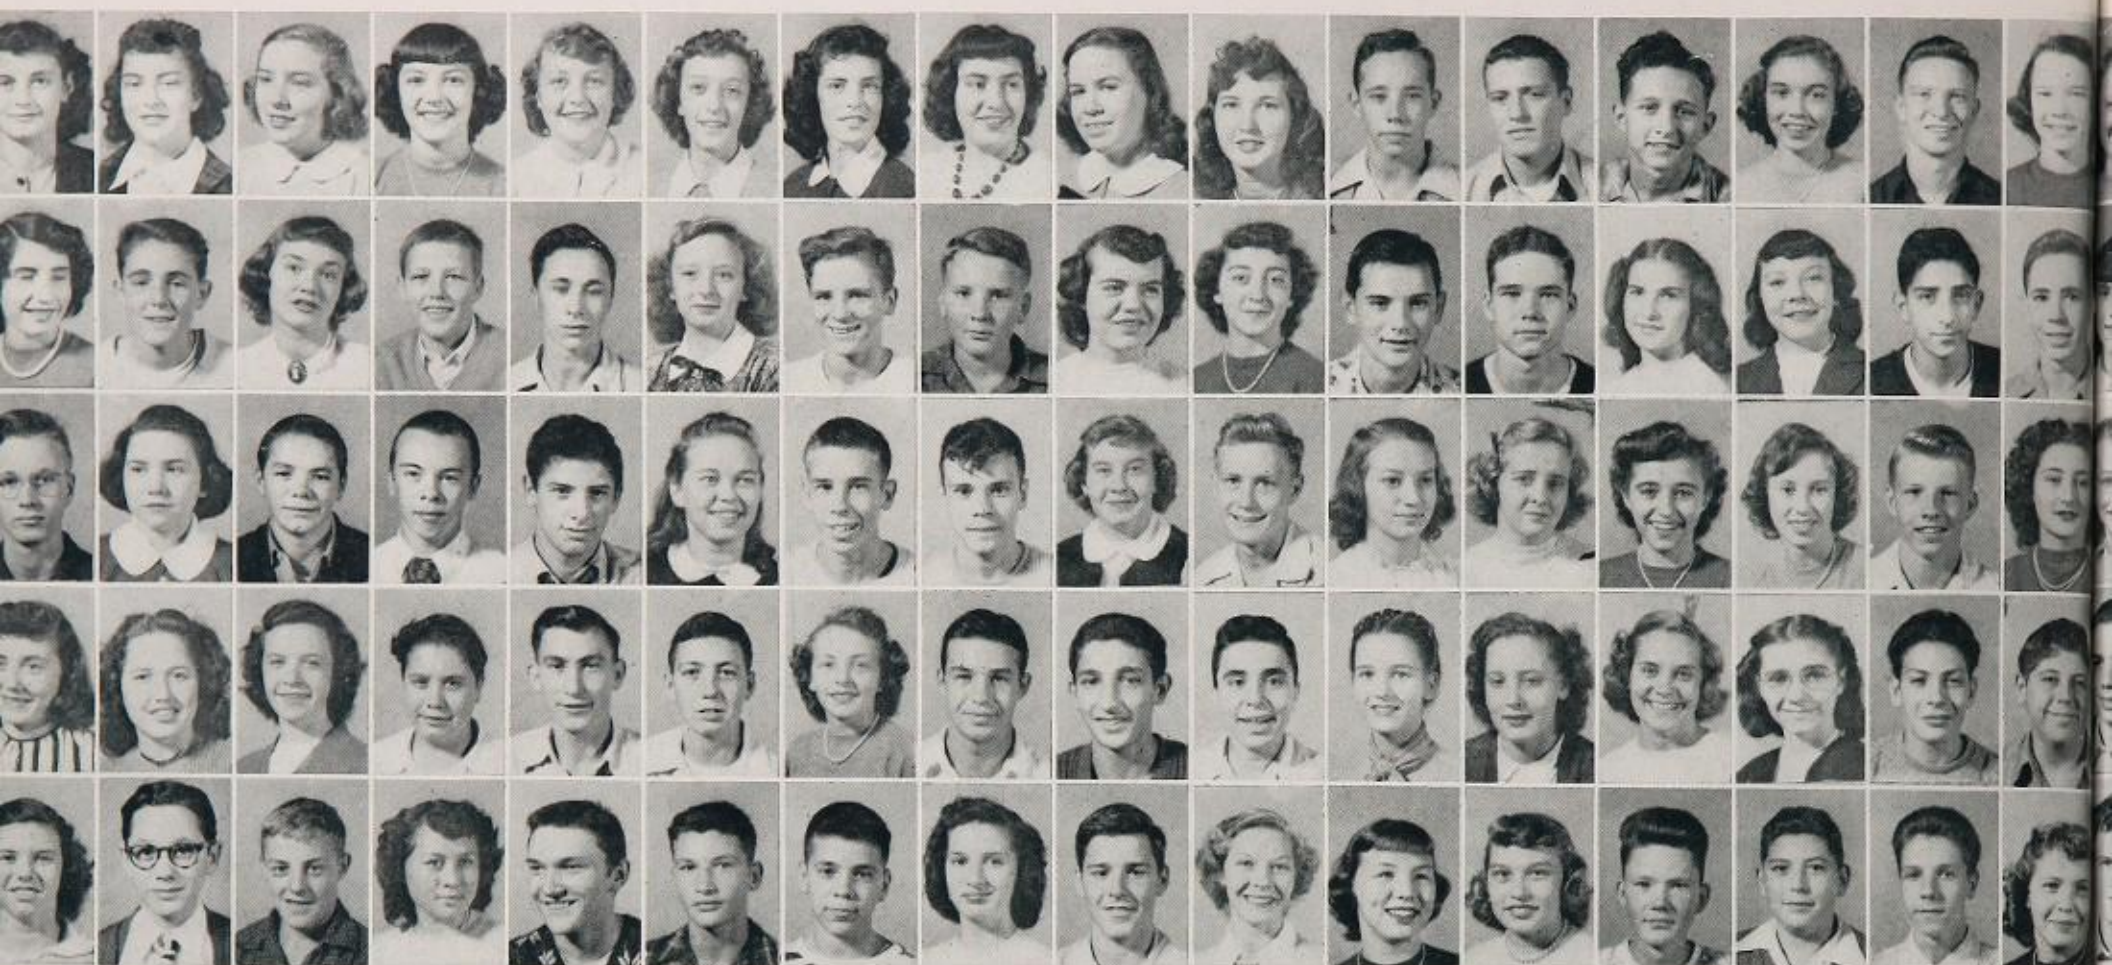

29—At last, our first holiday. Today it's the teachers who work at the meeting of the Southwestern Teachers' Association while we sleep. Ed. note: Behind my hand, I chuckle.

31—Hallowe'en! So what! Tomorrow's assignments are still the most effective haunts of the night.

November Struts In

- 1—Last night's haunts are today's realities. Oh well, we had lots of fun any way.
- 2—We students finally get to settle all our grievances at the first Student Council meeting. We took the doors off the music room.
- 4—Watch those shin-bones, girls. We invade Walnut Hills for the annual Hockey Playday.
- 8—Hughes is the underdog 25-7 after the game was postponed twice on account of that "Stormy Weather." It seems that the Hughes players were tackled by "Simple and Smell." Well, you know how those football announcers are.
- 10—The Junior High's Pumpkin Prance was really a success.

West Hi versus Withrow.

November

- 11—No school today, Armistice Day. Too bad! I'll bet Withrow wishes they could have made an armistice with us. Inspired West Hi downed the Tigers 27-7.
- 12—"And in this booth you see how atomic fission takes place." Western Hills goes to Music Hall "en masse" to see the Atomic Exposition.
- 13—Everyone is still baffled about atoms. "Are

the isotopes part of the nucleus, or is the nucleus—say, where does this atom bomb come in, anyway?"

- 19—"Did you bring an umbrella? Look, I can wring water out of my coat. Hey, watch that mud puddle!" It sure was a wet night but it was a swell game in spite of it all. We clinched the P.H.S.L. by beating Walnut Hills 12-7.

Understanding, Better Adults.

November

- 24—Come on out and cheer tonight at the Pow-wow at Oskamp's. Then off to the gym for the Band Bounce. Let's beat Elder!
- 25—Our turkey was much too salty today. Need I say more? Elder 19—Western Hills 6. Well, through our depressed thoughts comes the glimmer of the P.H.S.L. trophy and we say, "Thanks a lot; it was a good season, anyway."
- 29—Today starts Good Sportsmanship week. Nancy Thompson was named our good good-sport. At a G.A.A. meeting, Dot Hurley showed us what a day without sportsmanship is like.

Bottom picture: Discussing last night's adventures before school.

December Jingles In

December

- 3—We laugh at the many troubles of Hildegarde, M. Fisher, in the hilarious comedy, "We Shook the Family Tree".
- 8—Student Council installations impress each of us with deep sense of responsibility to our school.
- 10—Bloomer girls defeat the "has been" faculty in volleyball. Old age does slow one down, you know.
- 15—Today we put the doors back on the music room. Oh well, the janitor has to do something to earn his wages.

Joanne Kain and Betty Dieckmann "masquerade" as angels.

And Await the Climax of It All

June 9

Class day. We seniors march into the auditorium for the last time as students of Western Hills. We receive our trophies and honors and climb another step on the stairway of life. The juniors realize that at this time responsibility is being passed onto them.

Today we all receive the classroom edition of the Breeze. No one has to tell us that this copy is the most awaited and exciting copy of the year.

At last we are back to old times. Today all of us received our annuals. What is it which automatically makes the annual better when it comes out on a class day?

June 10

The last day of this prolonged agony. Now we'll let the teachers fret for the next two days while we enjoy ourselves. Dear teachers, don't work too hard. We want you back again next year.

June 13

Exams, that is for all except us lucky seniors. Don't worry, kids, you'll be in our shoes soon.

June 14

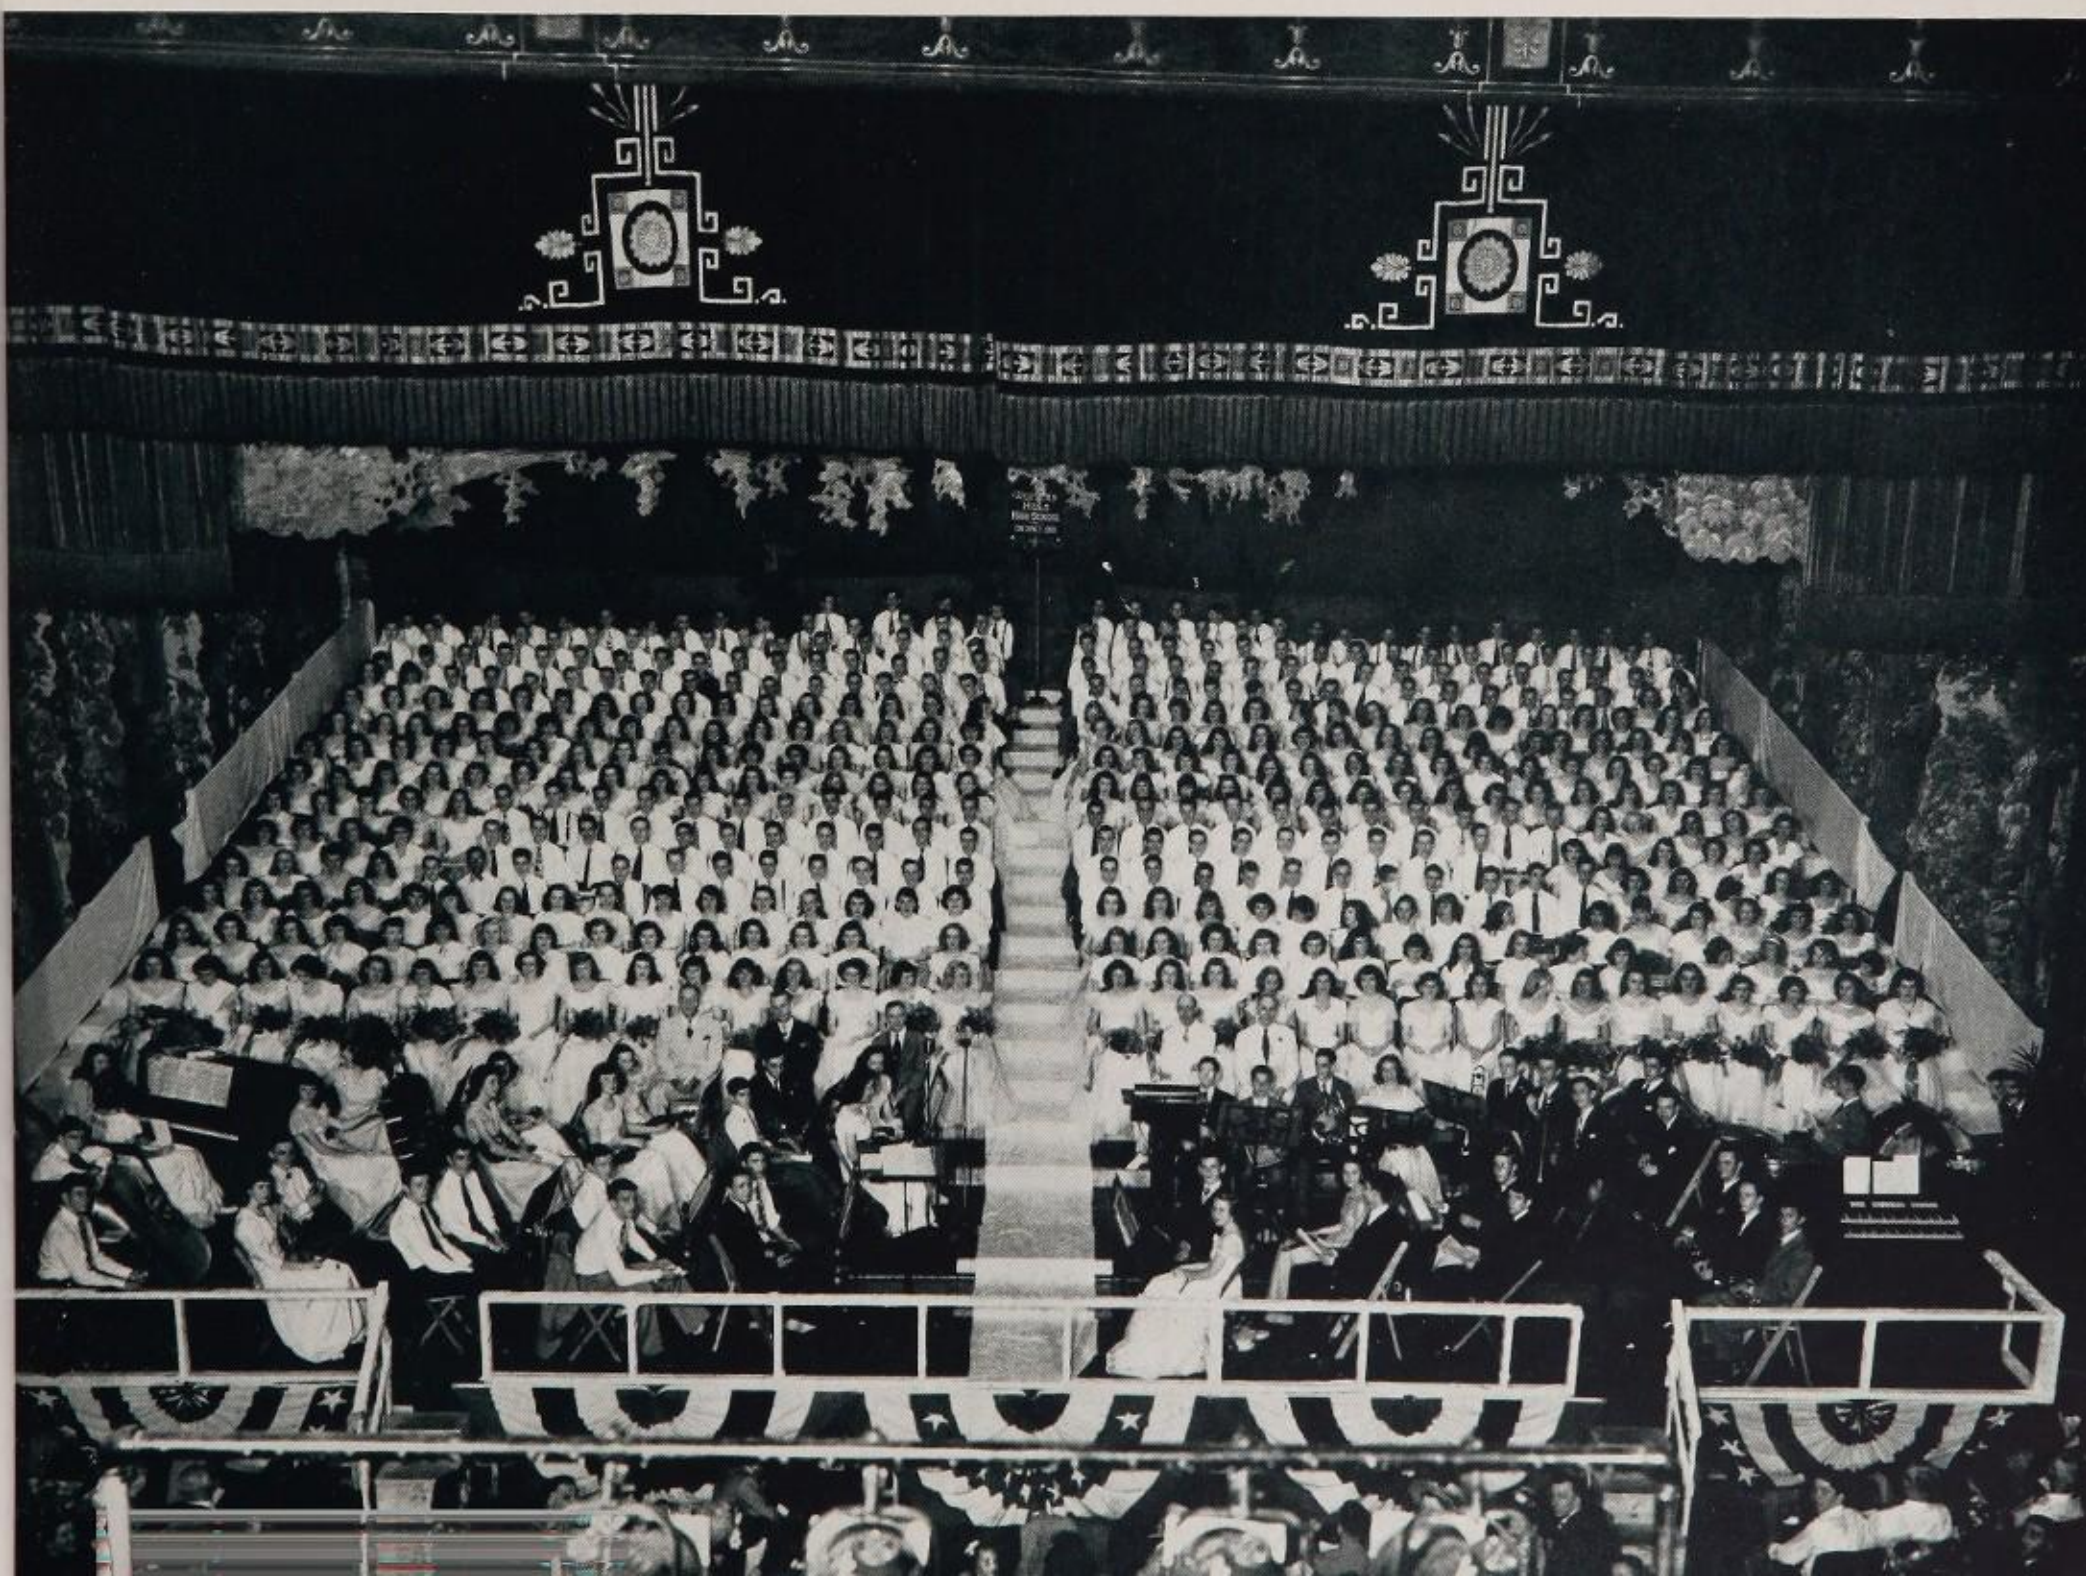

Gee, another hard day. I hope that exam grade isn't as low as I expect.

June 14

Graduation Day. All of us seniors are looking forward to the good time which is ahead of us. None of us can say that we won't feel a little bit sad when we march down the aisle to "Pomp and Circumstance". Our dear old alma mater certainly has been good to us.

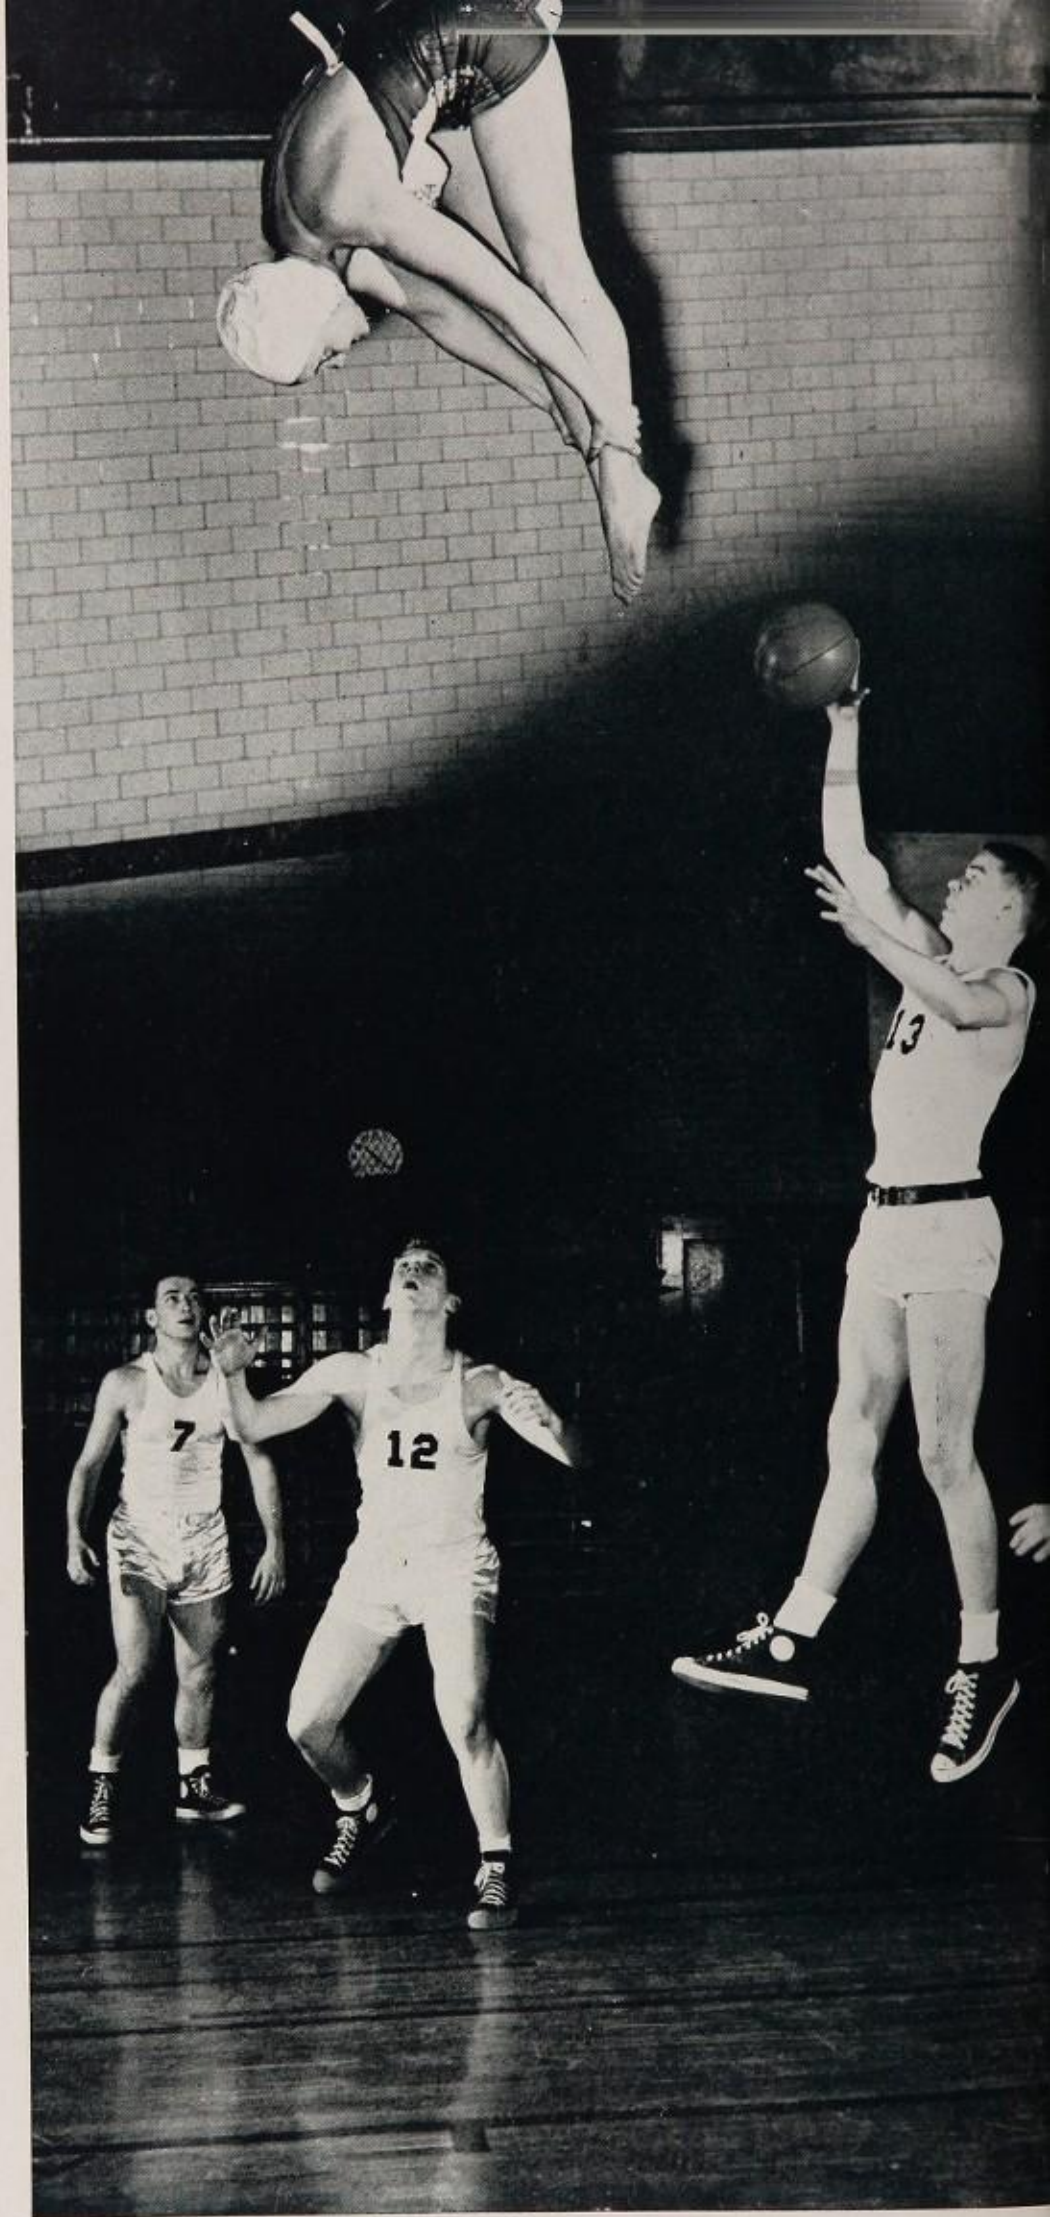

June 17

"It's all over now!" Some of us find ourselves repeating over and over, "Just lucky I guess." Despite all our fussing and grumbling we underclassmen will be ready to start afresh next fall. So long, folks.

The "Mighty Maroons" of Western Hills with their seven returning lettermen lived up to their "Great Expectations" for the season of 1948. The young men from the school "enshrined high on lofty hills" had an excellent record against out-of-towners and public loop schools, but took it on the chin from two Catholic League teams. The Annual Staff congratulates the team and coaches for a successful season.

Running Game, a Solid Line Spelled Victory!

The football team of "48" showed its strength early in the season against Sidney by coming from behind to win by the narrow margin of two points. With the physical shape and mental attitude of the team at its peak we proceeded to trounce strong up-state Lima Central, Aurora and Covington Holmes. After four victories in a row the Maroons then dropped their first city game to the strong Purcell Cavaliers. The accomplishment that followed was perhaps even greater than the victories the team tasted throughout the season. It was great to know we had a team who could come back after a stinging defeat and win four in a row again. The gridiron feats of the team in those four games were the highlights of the season. Central Vocational was easy, the game of the year was played against Withrow, Hughes was soundly beaten, and Walnut Hills gave way to a superior backfield. The P.H.S.L. crown was ours. Turkey day was disastrous as our lads dropped the Price Hill championship to Elder. Hats off to a fine, well coached team.

Little but mighty, our seventh and eighth graders listen intently to their coaches.

Only a freshman squad member today, but with the proper natural ability and coaching we may have future All-Americans in our ranks. It's only a dream, but who didn't dream when he was a freshman. Early season injuries to key players cut down the potentialities of a possibly great team. With all their bad luck Coach French's lads won 5, lost 1, and tied 1.

Playing mostly Catholic grade schools, our elementary team more than held its own by playing heads-up football. Concentrating entirely on basic fundamentals, the team, under the able guidance of Coaches Reed and Pollack, showed extreme adaptness. To the Varsity of "52" we wish all the luck in the world.

"Let a Smile Be Your Umbrella"

During the football season the band, under the capable direction of Mr. Andrew Brady, presented many clever and amusing stunts before the eyes of interested spectators. In these presentations the entire organization showed its ability in skillfully executing a variety of difficult acts.

After witnessing one of the band's performances it is easy to see why it is rated as one of the best marching bands in the city, recognized not only for its colorful appearance and snappy formations, but also for its excellent musical qualities.

The band, however, would not be complete without the twirling

batons and gay costumes of the drum major and majorettes. Their exhibition always seems the final touch to a grand performance.

One of the shows that was publicly acclaimed as being one of the most outstanding ever performed by a high school band was the "Three Ring Circus". The band first saluted the school. Then it went into a block formation while a small clown band entered from the sidelines. Next followed these formations: three rings with circus acts going on in each, a merry-go-round that broke down, a tiger with a wagging tail, a calliope with smoke, and finally a parade down the field to the strains of "I Love A Parade".

The drum majors and majorettes are:

Another outstanding performance by the band was the "United Nations" show. In this the band saluted the "Big Four". This demonstration included a huge shield with red stripes and blue shakers representing the United States. The show ended with a salute to United Nations by forming a large U.N. to the strains of, "Your Land and My Land".

After football season the band settles down to working on concert music. During this time the band performs for civic affairs, school programs, and in various contests. This year's schedule will include works such as Caesar Frank's Symphony in D Minor, Concerto in Jazz, Bach's Prelude and Fugue in B Flat Minor and many others.

The G. A. A. Board

"A sport for every girl and every girl in a sport" is the motto of the G.A.A. Through the club's wide variety of sports and other social activities, the members of the G.A.A. are guided towards the high ideals and goals so necessary in our present day life. While the girls learn sport skills, they are mingling with their fellow students. Thus, the healthy mind and the healthy body are built in unison.

"Character, sportsmanship, and comradeship" are the ideals for which the girls' athletic club strive. Playdays and intramural tournaments give the girls a good time and bring about many friendships which might not otherwise have resulted.

Archery

Z-z-zing goes the arrow as it glides through the air well on its way to the bull's eye. In the picture below we see the resulting skill of constant practice. Jeanne Young, archery manager, and Ruth Meininger are two of our outstanding freshman archers.

Archery, one of the girls' favorite sports, helps to develop their individual skill rather than the competitive spirit. To be a skillful archer the girls found they had to have good posture, a steady hand, and an accurate eye.

All up and coming archers welcome the months of September and October. In this crisp autumn weather the girls radiate pep and enthusiasm in this popular sport, archery.

Bruises and Sprains Galore Are Part of the Fun

With the coming of each new fall, the anticipation of the hockey season is high. A "rough and ready" game like this does not bother the girls. Every Wednesday and Thursday the players trot out to the fields dragging their sticks and shin guards behind.

A few techniques are demonstrated and explained by the more experienced players and Miss Burk, hockey coach. After a few weeks' practice, the outstanding players are asked to report for advanced hockey practice. From this group the honor hockey team is chosen.

Honor Hockey Team: C. Kling; C. Dettmer; J. Fisher; C. Fuller; D. Chaney; J. Mueller; M. Gies; C. Wullenweber; M. Boys; N. Hess; L. Kline; D. Hurley; J. Bauerle.

The sun shone down, and the clouds cleared away for the new fall season of sports. Clashing sticks and excited yells of instruction assured us the hockey season was well under way. The girls practiced bullies, dribbles, passes, and drives until they were perfected and exceptionally demonstrated in intramural tournaments planned by their capable hockey manager, June Fisher.

The season was highlighted by the hockey play day at Walnut Hills High School. Our teams battled with those of all other public high schools. Hughes and Woodward took first and second place respectively while we tied for third place with Walnut Hills.

The season was climaxed by the class team tournament and the hockey supper. The seniors proved that they were tops again when they won the class team tournament. At the hockey supper June Fisher gallantly handed down the managership to Lois Klein.

A Competitive Spirit and a Will to Win

"It's fun to run!" Coach McCartney called the candidates for the "48" cross country team this fall as usual with his favorite slogan. Out of the many fellows who turned out for the initial practice only sixteen had the endurance and stamina to make the grade. Continual practice sessions throughout the fall kept these boys in excellent physical condition. Letter winners on this squad were F. Haussler, Howard Mills, Harold Mills, F. Mundstock, H. Ott,

B. Sinks, and E. Williams. These boys placed 3rd in the city and district meets and were represented in the state meet by Harold Mills, who more than held his own against strong competition. With a few returning lettermen and the following squad members, Basil Bilbrey, Bob Bilbrey, F. Sandlin, W. Sparks, J. Townsley, F. Turner, C. Winningham, and J. Trifilio, we hope to have a successful team next year.

Maroon "W"! One of the most perfectly functioning clubs in the school! That best describes the organization provided for the letter men of Western Hills. Highlights of the current year were the Maroon "W" Dream of Maroon and Cream dance, the faculty basketball game, the annual picnic, the all-sports banquet, and a hilarious hayride.

The Dream of Maroon and Cream dance this year was held in the gymnasium to decide who was the girl to represent the letter men of our school. Mary Wheeler joined the list of select dream girls.

Faculty members suffered quite a shock when they were beaten for the first time by a fighting Maroon W basketball team. It was a close and exciting game all the way, but Coach Sample's boys came through victorious. The Maroon W team was led by Jim Gussett, Len Schnell, Stan Peters, Jack Flake and Charlie Harris. The faculty was paced by such old men as Jim Clark, Bob Morgan, Ray Penno, and Bill Fey.

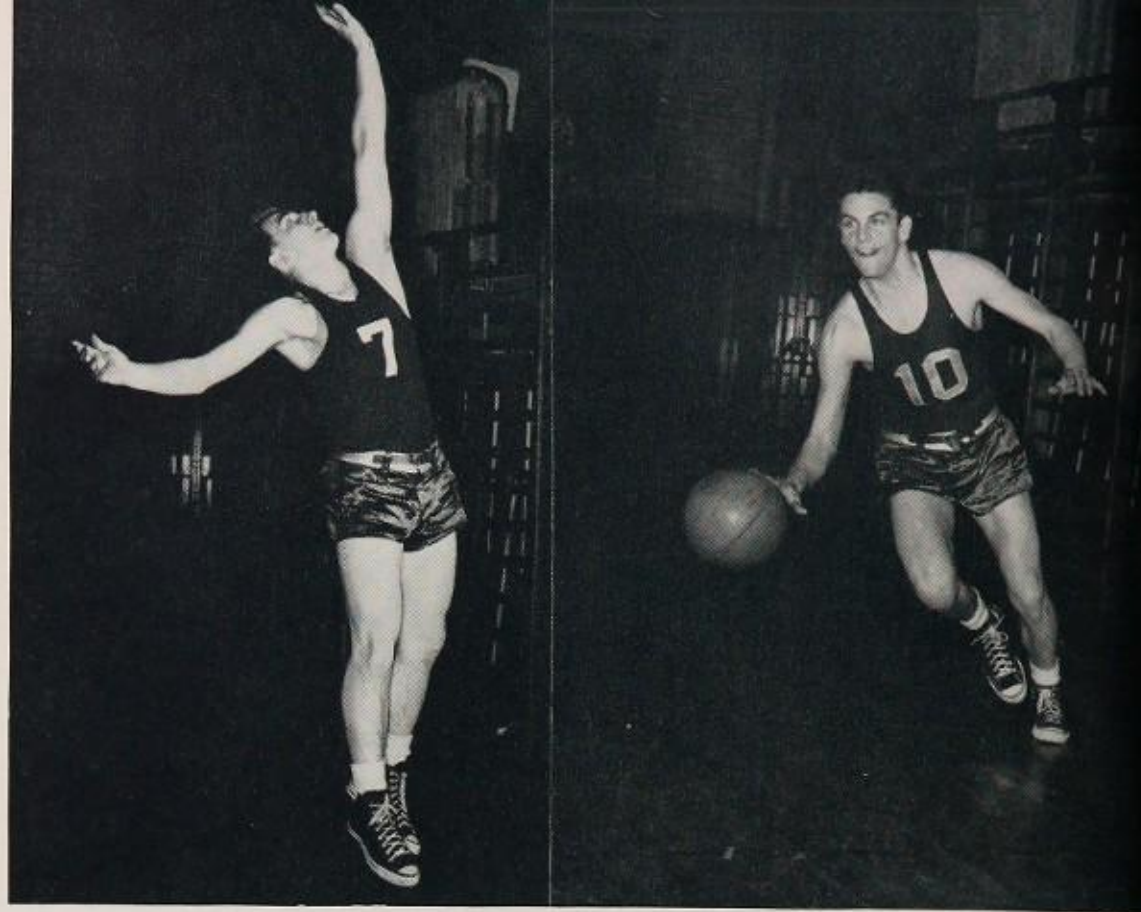

The picnic was a huge success and all members had a bang up time. This affair is held every year to initiate new members and to bring the members together in closer relationship. It accomplished just that.

All-sports were represented by an enthusiastic bunch of athletes at the Maroon W annual all-sports banquet held in the lunchroom. The all around boy award, which was won last year by Bill Zimmer, is the highlight of this affair. This is always a very difficult job and this year it was especially so. In our senior class there were many all-around boys, so to pick one is a terrific task.

Maroon "W" is constantly improving under the leadership of Coaches Morgan and MacCartney. The staff recognizes that the club has contributed much in the way of making our school a more enjoyable place of acquiring an education.

Odds Against a Small Team Are Overshadowed by

Fight; Basketball Team is Co-Champ of P. H. S. L.

The basketekers of Western Hills kept up our monopoly of the Public High School League by finishing in a co-championship with the Bulldogs of Woodward. The regular season play found the Maroons losing 10 and winning 10 games. Much can be said about this year's team as they played good, sound ball under the tutelage of Coach Clark. Of the ten games lost, none were lost by more than eight points. In the tournament at Xavier fieldhouse the team pulled the upset of the tournament play, by defeating a heavily favored Purcell quintet. Hughes was also beaten in a thriller that was decided in the final seconds. Hamilton Public knocked us out of the tourney and went on to win the district and the state.

There was no outstanding individual on this year's squad. Jim Stephenson paced the team in scoring with his potent assortment of hook shots. Don Zimmer proved very valuable as a drive-in dribbler and set shot. Ken Bassett rounded into form during the latter part of the season and proved his worth by controlling the back-boards. Jack Gannon and Ed Bludau were very capable play-makers and good shots from out on the floor. Glenn Sample, Bill Niederheman, Pat Brosnan, Ralph Lane, and Bill Sachs were all good reliable men to use at the guard position. Jim Frey, Jim Monnig, Bob Rennich, Don Mango were used at forward and Jerry Golsch, Don Kruse, and Cliff York cavorted at center.

Sitting on bench, left to right: D. Kruse, J. Golsch, J. Monnig, K. Bassett, B. Sachs, B. Rennich, G. Sample, B. Niederheman.

Coach Clark Sees a Bright Future for Maroons

Junior Varsity

Kneeling: Tennenholz, Waskey, Mango, Wagner, York, Conatser, Lane.

Standing: Mgr. Hughlett, Witt, Stevens, Backman, Ott, Keller, Mgr. Cordorodis.

The under-classmen made the future look very bright for Coach Jim Clark by coming through with successful seasons. The Junior Varsity won 13 games and dropped 7. Madeira, Ohio Military Institute, Woodward, Central Vocational, Norwood, Purcell, Hughes, Withrow and Elder were beaten by rather large scores. Close games were lost to Hillsboro, Walnut Hills, Xenia, Roger Bacon, Middletown, Hughes. The final two games were dropped along with the Public High School title when Ralph Lane, Don Mango, and Cliff York were moved to the varsity. York, Lane, Mango and Charlie Stevens were the big guns of this year's squad.

First-year men made Coach Morgan smile whenever they were mentioned. They created quite a sensation with an early season winning streak. Paced by the good all-around work of Wheeler, Morgan, Schnabel, and Lower the team

won 15 and lost 5. Outstanding individuality was absent from this team that stressed teamwork as a necessity. Playing against several Reserve quintets throughout the city the Little Maroons more than held their own. Experience was gained by traveling all over the state and to schools in Indiana and Kentucky. The people of Western Hills are all looking forward to the time when these boys are playing varsity ball.

Our junior high school students playing in active competition for the first time had a fairly successful season. They were coached in early season games by Coach Reed and did very well. Mr. Reed was transferred at mid-year and this dealt a serious blow to the team. Playing mostly County and Catholic grade school teams the lads won 17 and lost 16 games.

The opening of the basketball season found an eager group of girls waiting to be placed on teams. This year Thursday was the day open to all basketball enthusiasts. Teams were organized and an intramural tournament was planned. Miss Burk, coach, and Dot Hurley, manager, kept their eyes open during gym classes and Thursday afternoon practices watching for the most promising players, who were then asked to drill with the advanced basketball team an extra day every week.

Each year a basketball playday is held in which girls meet citywide competition. By the time this event rolled around, Miss Burk had teams lined up according to the players' skill.

The girls refereed their own games this season. Miss Burk held a class about once a week of a few outstanding players. Here she taught them the technicalities and fine points of basketball. They were then qualified to officiate at tournament games.

The long awaited basketball supper was planned by the junior girls. Here the honor team was awarded certificates and the class teams were given recognition. Dot Hurley's announcement of the new basketball manager brought this memorable season to an end.

Individual Swimmers Capture Many Titles But

The swimmers of '49 had a successful season under the tutelage of Paul Nohr. The team placed second in the Interscholastic Swimming meet and were also runners up in the district. Led throughout the season by John Botuchis, who won every diving meet he competed in, the boys more than held their own against seemingly overpowering odds. Botuchis won three interscholastic meets, the district meet, and finished the season in a blaze of glory by winning the state championship. Swimming on the medley relay team with Barry Britt, fast backstroker, and Carl Starman, who was terrific all season in the

breast stroke. John did his bit as a free style man to break the district record in the colossal time of 1:26.0. Second out of a six team league is pretty good, fellows, but we are getting used to first place.

Swimming is a year 'round sport at Western Hills. It is divided into three seasons, fall, winter, and spring.

The fall season of swimming is devoted to lifesaving. To participate in lifesaving one must be a blue cap or better. The favored few who receive emblems and belong to the life saving corps help Miss Witt, swimming instructor, to plan the year's activities. They also help teach in their swimming classes and after school.

The winter season of swimming is spent in preparation for swim meets. Our seniors won the intramural meet with juniors and sophomores coming in second and third, consecutively. The girls who took places in this meet practiced for the city-wide playday meet at Walnut Hills.

Spring brings us an interscholastic water polo tournament. The honor team and the new lifesaving corps are announced for the new year at the G.A.A. banquet in May.

Maroon Bowlers Contribute to Western Hill's

Seven in a row! That's the proud cry of the Maroon keg-lers. By virtue of a fine record of 23 wins and 1 defeat the bowling boys again won the public high crown. Ten fellows comprised this year's squad, led by Erv. Hoinke, Bill Fissel and Warren Scholl. The rest of the team members are Fred Klein, Duane Brady, Ralph McCreadie, Don Uhlenbrock, Ed Wund, Dick Wallace, and Fred Winkelman.

With a team average of 833, the rest of the league was easily outclassed. Hoinke took the high single game with a neat 236, while Scholl came through with high three game total by rolling 622. These high scores led the league. Coach MacCartney has led the team through three successful seasons and we feel sure that the bowlers will win many more championships under his able guidance.

Sweep of P. H. S. L. Championships.

The girls' bowling league has been larger in number than ever before. This year-round sport is enjoyed by girls in all grades of senior high school. Our capable manager, Joanne Glass, saw that everything ran smoothly at both Hoinke's and Waltz's lanes. Trophies were given for high scorer and winning team at each alley.

In the picture below we see Janet Schneider and Joanne Glass bowling with high hopes of strikes or spares. Marilyn Moss, Jean Wagner, Eileen Murray, Lorraine Murray, Lorraine Kuhlman, Marian Klausling, and Jackie Reddick on the above picture are enjoying a companionable afternoon at Hoinke lanes.

The Modern Dance Club provides an opportunity for girls to gain that much desired poise and gracefulness. First the girls are taught simple arm movements, leaps, and swings. Then they learn to coordinate these actions into a flowing, meaningful dance. Good dancing is an expression of emotion and thought. Modern dancing is not only interpretative, but a body builder as well. The many stretching and bending exercises use all muscles in the body. The sudden twists and stops develop marvelous control and coordination.

The club is a chosen class limited to seniors with a sincere interest in dancing. Each year the girls take part in and add a touch of variety to school productions such as **Bandwagon**.

The modern dance symposium was the highlight of the year. At this annual get-together girls throughout the city compare dance routines and formations of this form of art, modern dance.

Enthusiasm and Teamwork Make Volleyball Fun.

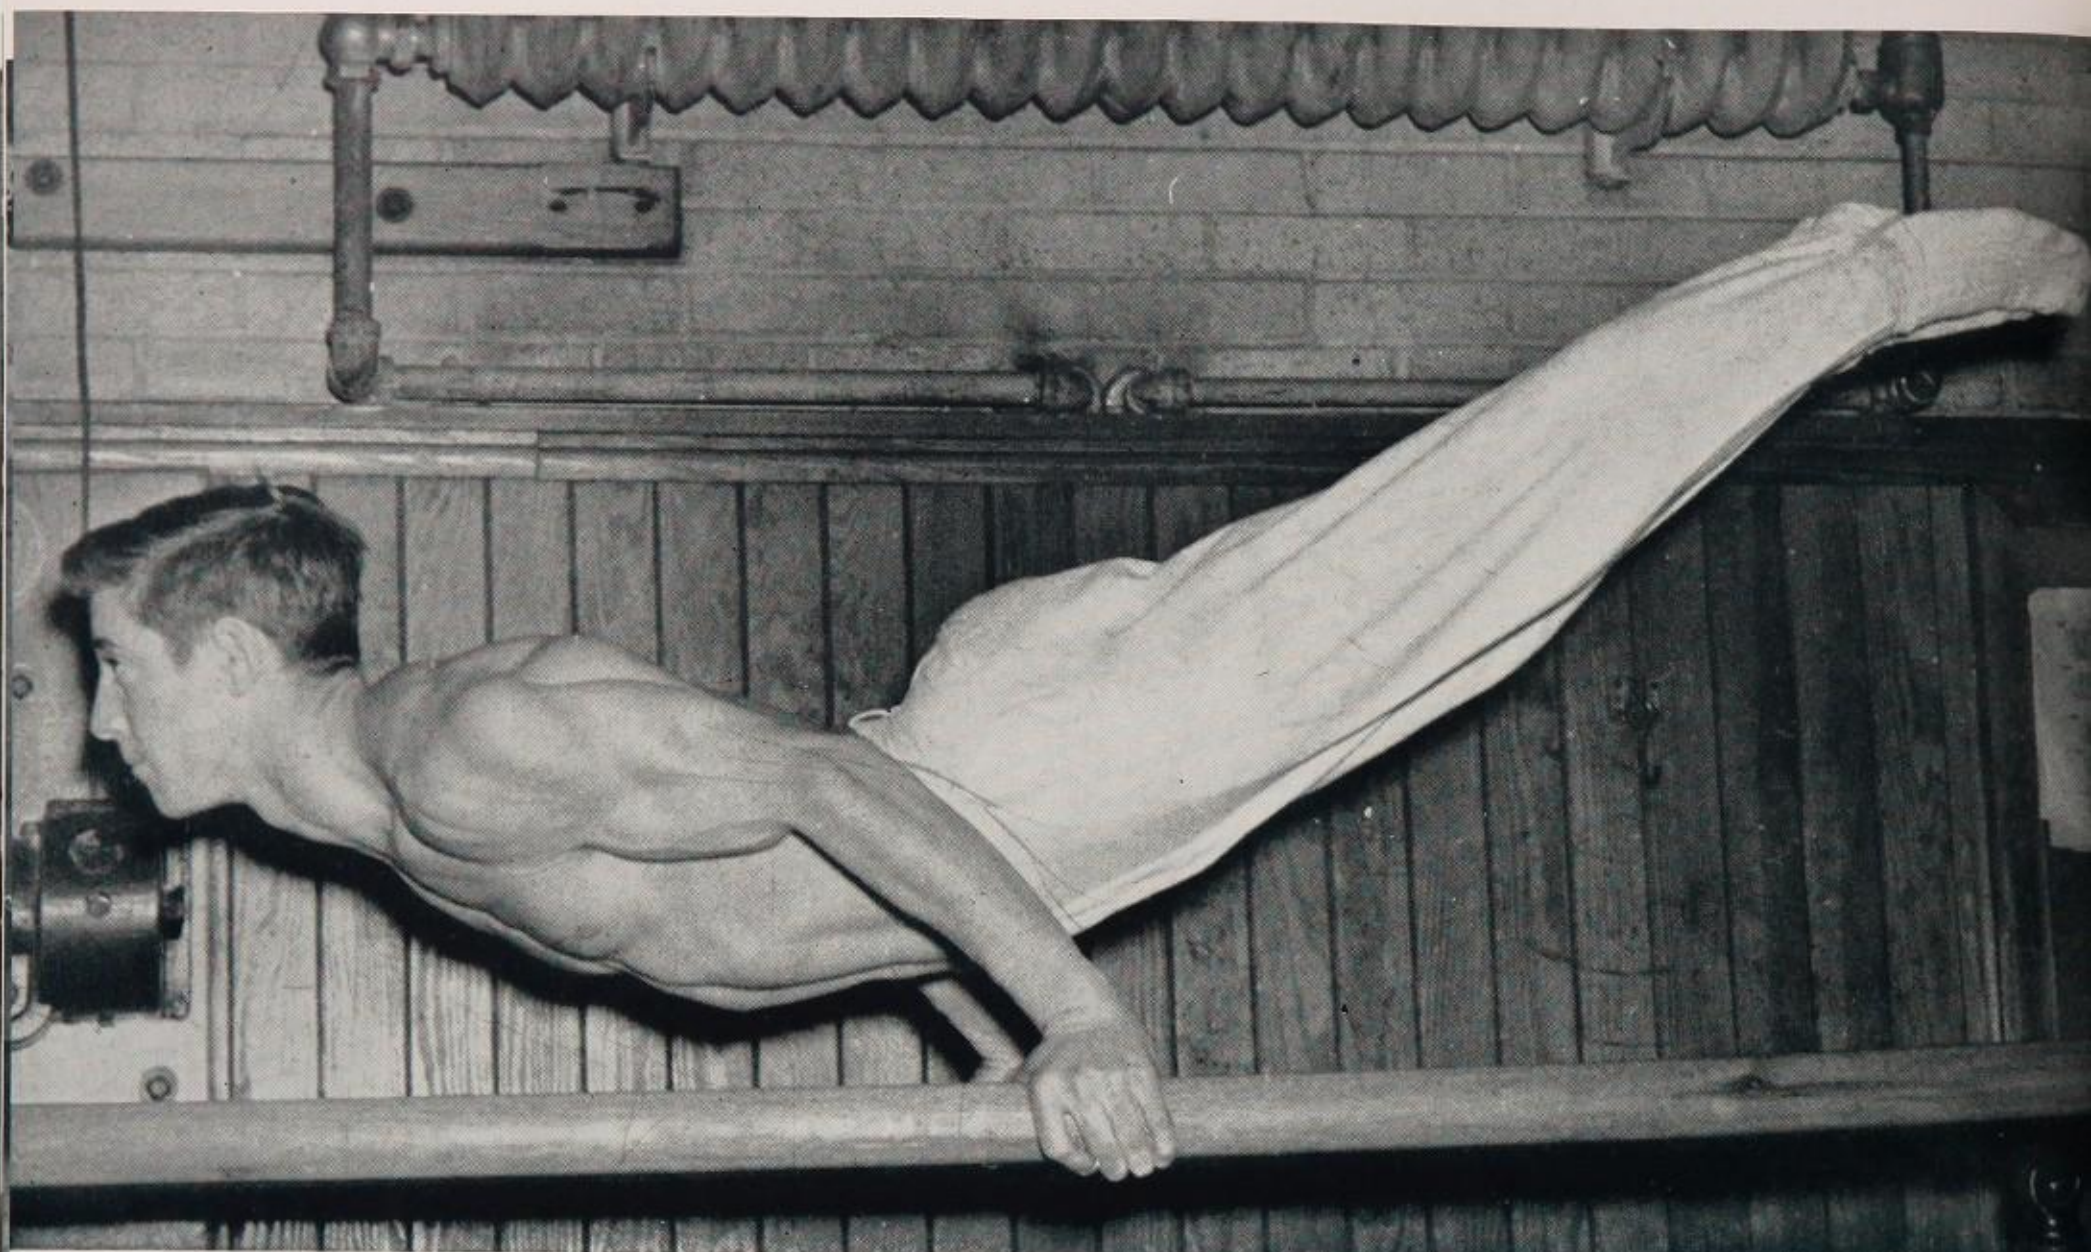

The girls enjoying a volleyball game in the above picture are, left to right, Lois Takahashi, Rosie Leonard, Ruth Mesley, June Fisher, Connie Dettmer, Dot Chaney, and Mary Ann Bicking.

Another popular indoor sport is volleyball managed this year by our enthusiastic Norma Hess. This sport is open to all girls whether they are working for a letter or not. Norma placed the girls on teams where they played out an intramural tournament. When the match was completed, she and Miss Steinmetz chose girls according to their ability and placed them on playday teams. The two best teams practiced every Wednesday against the Maroon W volleyball players.

The volleyball playday was held at Withrow and Hughes High Schools where our teams made a good showing. Attending an interscholastic playday such as this gives the girls an opportunity to make new acquaintances with those having similar interests to their own. Although volleyball requires an extreme display of teamwork and enthusiasm, it rewards the player with that pleasant fatigue of a job well worth the effort.

John Botuchis Leads Gymnasts Toward Success.

Western Hills at last has a gym team it can be proud of. Led throughout the year by John Botuchis, who was chosen as the All Around Boy of the city, the team finished a close second behind Hughes. Under the close supervision of Coach Harry French and despite the fact that there were not

proper facilities for practice (the boys trekked all the way to Carson School every day) the team did quite well. With a host of experienced men returning we might win the P.H.S.L. for the first time. Here's hoping!

Shooting for the '49 Flag

The niblickers got off to a slow start due to the inclement weather which hindered practice sessions in the early part of the season. Golf is a game that takes perfect coordination, timing, and a certain amount of power. Accuracy in putting also means a great deal to those who shoot in the low seventies. Many students do not know how the score is kept in golf. In a golf match the player leading the first nine gets one point, low score on the second nine gets one point and the low score on the eighteen holes also gets one point.

Understanding all of these principles and having all these necessities of a good golfer are Don Kruse, Bill Prafka, Bill Niederheman, and Erv Hoinke. Don Kruse, one of the few freshmen who ever got a letter in the history of our school, should now be one of the best golfers in the state with his four years' experience. We are quite confident the golf team will have a successful season with these stalwarts to lead them on. The records of last season were not kept due to a change of coaches and this year's season was not started as the Annual went to press.

Racketeers Take to the Courts as Tennis Moves

Varsity tennis started in early March and as the weeks rolled by Coach Pollack noted a vast improvement in his team. Early season defeats at the hands of Bellevue, Withrow, Hughes and St. Xavier were avenged by victories against Purcell, Covington, and our old rival, Elder. With nine matches still left the team should get better as the season progresses.

into the Sportlight for Both Boys and Girls

Here it is spring again. G.A.A. members enjoy playing tennis in a tournament sponsored by their club. This stimulating sport demands accuracy of form and good muscular coordination. Lois Klein, manager, and Miss Burk, coach, planned a singles and a doubles tournament for the girls. They went on to arrange mixed doubles matches which proved to be much fun for everyone.

"Let's volley for serve," can be heard from the courts when enthusiasts practice each afternoon. Here are played many exciting games of tennis, that exhilarating sport in which so many athletes take part.

Maroon Thin-Clads Answer Coach McCartney's

Track Season '49

The track team of 1948 had a fairly successful season considering the number of lettermen lost from last year's team. Pacing the team throughout the year were Nelson Dudley in the hurdles, Carl Englestone, ace half miler, and Frank Mundstock in the pole vault.

Coach Arch McCartney's 1949 edition of the Western Hills track team opened their season with a host of newcomers. To build sound bodies, acquire good habits, both on and off the field, along with building men were the Mr. McCartney's goals of achievement this year as always. In the three triangular meets held already this year the results were as follows: Western Hills 45, Woodward 45, Hughes 60; Western Hills 42, Woodward 42½, Walnut Hills 65½; Western Hills 67½, Purcell 67, Taylor 15½. Leading the senior team are Harold Mills in the mile run, Frank Mundstock in the pole vault, Jack Flake throwing the discus, Dick Geldreich in the shot put, Al Rhein running the low hurdles and mile relay, Tom Stegner in the 220 and 880 and George Tierney in the dashes. Standouts among the juniors are Robb in 120 low hurdles and Morgan in the ½ mile.

Tough Competition + Fast Moving Play = Fun

"Oh, oh! Missed it again! There goes another point!" is a familiar cry around the gym during the badminton and ping pong tournaments. These fast and exciting contests provide plenty of fun for the people who participate. Mixed doubles tournaments add spice to the regular games. Unlike the team sports, they are most valuable in developing pride in individual accomplishment.

Old man sunshine smiled on Manager Marilyn Boys and her eager baseball players. Between the fine weather and the large turnout of girls the season had an unusually fine beginning. A tournament was arranged among teams of ninth, tenth, eleventh, and twelfth grades. The gym department posted a list of girls who showed promise asking them to come out for advanced baseball. Tournament games were

played off on Wednesday afternoons while advanced players practiced both Wednesday and Thursday. Marilyn scheduled several games with other schools for these chosen teams to play. The announcement of next year's manager at the G.A.A. banquet completed their successful baseball season.

Jim Frey slides under catcher Jack Gannon's glove as "umps" Glenn Sample calls him "safe."

With such outstanding stars as Hal Grote, Stew Hein, Dick Schellenberger, Tom Barry, Bill Zimmer, and Bill Crigler graduated, Coach Nohr faced a terrific rebuilding job on the baseball team this year. These boys along with the stalwarts on this year's team such as Jim Frey, Don Zimmer, Glenn Sample, Jack Gannon, Jim Gussett, Bill Sachs, and Mgr. "Joe" Kiradjieff brought our school untold glory as they went through the class "A" tournament without a defeat and beat Warren Harding for the State Championship. The nucleus of this year's team is formed by these boys. The whole school is pulling for another year like last year, and with the proper breaks, the diamond hounds might bring more glory to our educational domain.

Gunshots, ten gallon hats, Western drawls and bronco busters were all a part of the rollicking musical comedy "Girl Crazy", which Senior A Cappella Choir so successfully presented.

The story deals with Danny Churchill (Dick Sollmann), a New York playboy, sent by his father to take charge of a ranch in Custerville, Arizona, in order to get him away from the wild life he has been leading. Custerville is unique as a town that has had no women within its limits for 50 years. Churchill arrives in a New York taxicab driven by Gieber Goldfarb (Joe Weissmann), a comic Broadway cabbie who is immediately accused of shooting the sheriff.

Emotions through a Form of Creative Activity

Molly Gray (June Fisher), the heroine, is postmistress of Custerville and the only woman there. Her presence there is explained by the fact that she only works, not lives, there. Danny promptly falls in love with Molly and sets out to win her. He decides to convert the place into a dude ranch and bring some "life" to Custerville. Charlie Harris as Slick Fothergill, a professional gambler, and Nancy Thompson as Kate Fothergill, Slick's wife and a cafe singer, come to town. They promptly become entangled in all the difficulties that have arisen. After many close escapes by all, Lank Sanders (Bill Longstreet), the gangster troublemaker, is sent to jail.

Cum Laude

To most people the efforts behind Western Hills' grant of a Cum Laude chapter are a mystery. This new organization just seemed suddenly to make its appearance. How it came and why it came most of us do not know.

For a long time many members of the faculty had thought that Western Hills should have an organization which would recognize scholarship much in the same way that excellence in sports and in other extra-curricular activities is recognized. Cum Laude, an organization which recognizes scholarship and encourages high ideals of work, seemed to fit our need. Mr. Cadwallader gave his hearty endorsement to the suggestion that we make efforts to secure a chapter.

Miss Bolan and Miss Weber looked over the college records of all graduates for the previous three years for proof of scholarship in college. They found it. They also found a high percentage of scholarship among Western Hills graduates for the last ten years. These findings helped much toward our grant of a Cum Laude chapter.

All candidates for acceptance at mid-year must have a 92 average and those for acceptance at the end of the year must have an 89.5 average in thirteen academic subjects. Next year and thereafter an 89.5 average will be required in fourteen academic subjects. The candidates are elected by ballot of the faculty board and must be in the upper 20% of the class.

The second group of initiates must show the required average at the end of the fifth report period. Since these grades are not ready until May 3 and the final annual deadline of May 1st requires that pictures be taken no later than April 25, the inclusion of the pictures of second semester members is impossible. The staff regrets this unfortunate situation.

All candidates were initiated at the second annual banquet at which time, after having made the pledge of membership, they were awarded their membership certificates.

The Merchandising Club, under the direction of Miss Davies, is perhaps the most united organization within the school. This unity comes from close relationships at both work and play. The members give up almost all other extracurricular activities to learn the intriguing subject of retail business. They spend two afternoons a week studying here at school. The rest of the time they apply their knowledge working in various down-town department stores.

Social activities are mingled with work. Bowling, theatre and skating parties, various speeches, a Christmas dance, and a spring picnic make up the year's program.

Elections are held twice a year. The first term's results were: D. Greenfield, president; J. Glass, vice-president; S. Nelson, secretary; and B. Moll, treasurer. Officers for the second term, given in the same order, were: M. Cones, J. Jones, S. Nelson, and D. Muffler.

This year, as always, the members of the dramatic class have shown their excellent ability as budding young actors and actresses. Under the capable direction of Mr. Thomas Burns, they have put on several plays thus far, which have proved highly amusing and entertaining. In all their productions it can be easily seen that the students have been urged to cultivate their creative desires and have been carefully schooled in the culture and mechanisms of the theater. People from all parts of the city who have witnessed their dramatic presentations have commented widely on the skillful, professional manner in which they were presented.

One of the most outstanding and well-liked productions given this year was the hilarious comedy, **We Shook the Family Tree**, presented on Dec. 3rd. This play demonstrated the typical life of a teen-age girl, her relationship to her parents and friends, her joys, but, most of all, her many and various troubles. The play, amusing from beginning to end, was a great success.

Each year the dramatic students put on a play in keeping with the spirit and good will of the Christmas season. This year was not an exception. The production chosen was the one act play, **Geraldine and the White Robe**. This was excellently done and well-received.

Another presentation given during the winter was the one act play, **The Trysting Place**. This was also placed high on the list of favorites. It, too, was a rollicking comedy. Given as an auditorium session it permitted every student in Western Hills not only to enjoy a good show but really to appreciate the talents and efforts of the dramatic class members.

The **Breeze** Staff routine really follows that of a large newspaper only on a very much smaller scale. A day or so after an issue of the **Breeze** has come out, assignments for the next issue are given out by the news editor. These assignments must be completed within a week's time. The material is then compiled and prepared for the typists by the rewriters. After the material has been typed, it must be copy read and sent to the press numbered for page and position. The editors plan the layouts on dummy sheets. Headlines must be written, and the deadline at the press must be met. Over the weekend galley proofs are checked by copy readers. The newspaper dummy is

then drawn up and returned to the press on Monday morning. The paper is delivered on Tuesday and distributed to the eagerly awaiting student body on Wednesday.

The **Breeze** Staff, like all other extra-curricular activities, has many good times. Everyone looks forward to the coke and hamburger parties which see the crowd through to the deadline.

The **Breeze Staff** of 1948-49 has made many improvements on the paper and are to be congratulated for their fine work.

Three firm convictions have formed the credo of the '49 annual staff. We firmly believe that an annual should be something more than a memory book and pin-point faces. We believe that the theme should have a serious message and a significant educational purpose. We think that action pictures portraying the activity and purpose of the organization are more interesting and worthwhile than group pictures showing the face of every member. Third, we believe that working on the annual staff is a privilege, a responsibility and last but not least, a lot of fun. We hope the school likes our annual. We had a lot of fun, and a lot of heartaches; spats, thrills, happy times, and indelible memories doing it.

We Express Our Feelings Through Democratic

Senior Student Council

Just as the Congress of the United States represents the voice and will of the American people so does the Student Council of Western Hills represent the voice and will of the students. This group was organized and is maintained in order that the student body and the administration can work together in understanding and close harmony. This cooperative attitude is a definite essential in the achievement of that goal of both the welfare and happiness of the students and administrators and the successful operation and progress of the school. Thus far it has been found that this method of student representative government is the best one for reaching that goal. The Council's continuing success and accomplishments are in the hands of the future leaders.

Systems of Government at School and in Our Nation.

Sigma Iota

Sigma Iota is a comparatively new organization in our school. It has set as its worthy goal "School Improvement," which can be applied to its three-fold purpose. This purpose is to promote interest in school projects, to work with Student Council, and to suggest ways of improving conditions as needed.

Sigma Iota has listed among its achievements the placing of a suggestion box in the office, the printing of a guide for the rookies and the eighth-graders, and the placing of napkins in the lunchroom.

The more vital and important suggestions are made by the students through Sigma Iota the more effective this organization will be.

In the picture at the bottom of the page Mr. Havlovic, the faculty adviser, and the officers of Sigma Iota are looking at a copy of their guide book. The officers are: Joan Miller, secretary; Nelson Rutledge, president; Edward Bludau, vice-president; and Gayle McGill (not pictured), treasurer.

Below: Charles Harris, Ted Maier, Connie Dettmer, Shirley Pennington, and Mary Mueller seem to be enjoying the luxury of paper napkins in the lunchroom.

Language Clubs Promote Fellowship through

Latin Club

The Latin club has adopted as its official name S.P.Q.R. These letters stand for *Studentes, Prudentes, Quærentes, and Reperientes*, which respectively mean eager for learning, being wise, seeking knowledge, and finding knowledge. It has chosen as its officers for this year the following people: Clyde Dornbusch, president; Joan Mueller, vice-president; Connie Kling, secretary; Tom Foster, treasurer; Mary Mueller, Carolyn Kamp, Ken Berlage, senior ædiles; Bob Sinks, Marjorie Butler, junior ædiles', and Francis Bauer, sophomore ædile.

Besides its regular business meetings once a month, the Latin Club sponsors an annual movie. This year there was an especially good Christmas party, which was visited by Santa Claus and his pixies. Dr. Malcolm MacGregor was guest speaker at the January meeting. Each year the Latin Club brings its year to a close with the Latin Club Banquet.

Above: The Latin Club Christmas party with Miss Bolan, faculty adviser, Clyde Dornbusch, Connie Kling, Mary Mueller, Tom Foster, Ken Berlage, and Joan Mueller.

Common Academic Interest and Enthusiasm.

Spanish Club

The Spanish Club at Western Hills has always been very active and has had a large membership. This year the club has chosen as its officers the following: Marilyn MacDonald, president; Joan Schuch, vice-president; Marilyn Cones, secretary; and Clif Sucierto, treasurer.

After the business meetings, which the Spanish Club holds once a month, the members sing Spanish songs, act out skits in Spanish, and occasionally even go in for a South American dance. At the Christmas party this year, the Spanish Club practised an old Spanish Christmas custom. A piñata (earthen vase) filled with gifts was suspended from the ceiling and finally broken to shower gifts on all the members. As a speaker the Spanish Club had an exchange student from U.C. Some enthusiastic members and their charming faculty leader, Mrs. Fouch, finished the year by dining in a Spanish restaurant here in the city.

German Club

The German Club under the leadership of its enthusiastic faculty adviser, Mr. Herrle, has for a long time held an important place in the extra-curricular activities at Western Hills. The officers for this year are the following: Dick Erhardt, president; Al Lippert, vice-president; Willa Hesse, secretary; and Ludwig Pfeil, treasurer. At one of their meetings this year the German Club had as its speakers Dr. Merkel, a professor of German at U. C. Dr. Merkel told of his experiences while traveling through Germany before the war. Following in the footsteps of old Germany, the German Club at Western Hills emphasizes culture.

At Right: While Dick Erhardt plays an old German song on the piano, Al Lippert, Lois Moellering, Jean Groppenbecker, and Willa Hesse gleefully add their singing.

A Belief in an Omnipotent Father Binds All

Hi-Y

Alpha Hi-Y and Kappa Hi-Y are two important senior groups in our school. Alpha Hi-Y under the leadership of Mr. Nohr has as its presidents Don Kruse and Bob Dulaney. Kappa Hi-Y under the leadership of Mr. McCartney has as its president Jim Gussett.

Beta Hi-Y is open to junior boys and has as its presidents for this year Ken Weiss and Bill Longstreet with Mr. Pollock as the faculty leader. Gamma Hi-Y is open to sophomore boys and has as its presidents for this year Henry Fisher and Stanley Rauh with Mr. Huth as the faculty leader.

Each Hi-Y group has an activity period which according to the seasons consists of volleyball, basketball, baseball, and bowling teams. A business meeting follows after which there is a speaker, or movies are shown.

The various Hi-Y groups have sponsored many worthwhile projects among which are ushering, contributing money to the equipment fund, contributing new sections to the Hall of Honor, contributing baskets of food to needy people, selling football programs, collecting of stones for a fireplace built with stones taken from all the presidents' graves, and together with Y-teens the sponsoring of a pre-vocational institute for all juniors here at school.

Y-Teens

Y-Teens, the high school division of the Y.W.C.A. is divided into three divisions. Jr. Y-Teens sponsored by Miss Petersen is for the seventh and eighth grades; Intermediate Y-Teens under Miss Weber includes the ninth and tenth grades; and Sr. Y-Teens directed by Miss Smith and Miss Mathis embraces the eleventh and twelfth grade girls. The twenty-three girls on the cabinet, which is made up of the officers, the chairmen of the various committees, and the squad leaders, are responsible for directing the organization. Officers for this year are C. Kamp, president; M. Yorde, vice-president; J. McNamee, recording secretary; J. Miller, corresponding secretary; H. Ruehlman, treasurer; and A. Borcharding, ring chairman.

These girls get together every third Tuesday of the month both to learn to appreciate the ideas and motives of their fellowmen and to enjoy the association with one another. Thus they gain a broader aspect of the world and overcome their petty prejudices against people different from themselves.

The Lunchroom Squad Combines Fun with Work.

The lunchroom squad are the fellows and girls who feed the hungry students come fourth bell. Under the supervision of Miss Gates, they do a good job of keeping those lines moving. Some keep the steam tables full, scurrying here and there with a cheery, "Excuse me please", or a disgusted, "Will you kindly step out of the way?" Others add up bills while still others are responsible for collecting and cleaning dirty dishes. Whatever the job might be, it's that spirit of co-operation that keeps the wheels running smoothly in the cafeteria at West Hi.

Seen washing the dirty dishes are: Bill Fissel, Ray Kolb, Carl Doerner, and Frank Turner.

Seated around the adding machine are: Peggy Diekmeyer, Jean Mason, Pam Munrath, and Lois Moellering.

Len Schnell and Marvin Waspe carry dirty trays and dishes out of the lunchroom.

During the last few years the print shop has become a favorite meeting place for West Hi's graphic arts enthusiasts. Under the supervision of their teacher, Mr. Wollenhaupt, they learn the art of printing while running off on the presses tickets, posters, club membership cards, and show programs.

For some years, visual aids have become an increasing part of modern education. As this trend has progressed so has the crew of projection boys at Western Hills increased. One of the crew of about 25 boys is always ready to operate our projectors and thus provide entertaining and educational films for our students.

Big Wheel of Bandwagon

The continuity of action and theme really made "Bandwagon of '49" hit the top. The action centered about "Red" and his red attire.

"Red", a spy sent out by a foreign government, came to America to seek information about "it". Just what "it" was, he didn't exactly know. He visited a New York radio station, a Tennessee hill-billy party, a Chicago art museum, and an Indian reservation in New Mexico and still didn't know what "it" was. At last he ended up in Hollywood, and there he found out that "it" was just a movie script entitled "The It Girl". Unfortunately this wasn't the "it" he wanted. O well, what was the difference? Through his travels across our great land, he had found out that the dear old U.S.A. is the best place to live and decided to stay and really give it a try.

Above: Hollywood. While "Red" seeks information about "It", a spat ensues among the movie somebodies.

Creative Expressions of Stage Productions.

Students Directed, Costumed, Painted the Scenery,

The satirical dancers pictured above at first appeared to be a part of a modern painting. However, when the music started, they moved out of the painting and in turn represented a ball team, wash day, Santa Claus and his reindeer, weeping women, and frantic runners. As the tempo slowed, the dancers quietly and slowly took their places again as a part of the modern masterpiece.

To set the mood, our ballerinas, dressed in filmy, blue costumes, danced gracefully and expressively to the No-

turnal Waltz, an original composition by Mr. Brady. The dance was then climaxed by the appearance of the White Madonna, Jackie Bradford. The dance ended as it had begun, leaving all inspired.

Pictured in the ballet, L. to R.: J. Pohlman, J. Geisler, N. Sander, C. Fuller, D. Oldt, P. Messham, J. Johnston.

L. to R.: J. Pohlman, P. Messham, J. Johnston, B. Finklestein, M. Keller, J. Geisler, M. Otto, C. Fuller.

Western Hills Students Gain Reputation

throughout City by Monopolizing Art Awards.

In these typical art classes are represented three different phases in art education. The upper left hand picture shows a talented group in Mr. Marshall's commercial art class. From this advanced group of art students have come many prize winning pieces of art. Jim Roda and John Ellison captured prizes for our school in the contest sponsored by the Scholastic Magazine.

An industrious group of Arts and Crafts students is pictured in the lower left hand picture. In this class Miss Davis leads her pupils in the arts of jewelry making and leather work. A pupil taking this subject is given every opportunity to use his creative ability in designing and making his works of art. Many truly lovely pieces of jewelry, and handsome leather goods, made by these students, have been on display in our showcases and entered in city wide art exhibits.

In the picture at the right is shown Miss Hoover's Art I class. The students are seen at work doing fashion illustration, one of the phases of their work. The beautiful chalk designs shown on the wall are products of the class also. Other phases in art pursued by Art I & II classes are cartoon-

ing, designing, the study of color, drawing in perspective, and posterwork. The latter has yielded many prizes to our school again this year as in the past, helping us retain our reputation for outstanding achievement in this field. West Hi again received more than her share of awards in the Symphony, Cancer, and Clean-up, Paint-up contests. A very worthwhile project undertaken by the Art II class was that of enlarging sketches of fairy tales into beautiful murals. These were sent through the American Red Cross to England where they will be given to children's homes and hospitals.

The idea of having a Junior Student Council to promote leadership in Junior High was developed last year as a foundation for this year's council. The interest of the students was vigorously aroused by the election campaign carried on by the homerooms. Placards were made by the supporters of the candidates and carried through the halls. After the elections were terminated and results tabulated, the members were initiated in an impressive assem-

Arlene Borcharding proudly shows her friends, Marilyn Mac Donald, Marilyn Boys, and Doris Kaiser, the annual with which her dad had so much to do. "Al" Borcharding was willing to take that share of our work for which we must have the promptest service. He smiled at our demand that he take our work one day and bring us back finished proofs the next. Smiled and did it. For quick service, unexcelled quality, and unequalled willingness to accommodate we recommend,

WHERE STYLES BEGIN

Styles that have gained us a national reputation! For the Grad and Under Grad. We offer the finest quality dress and sports wear — priced to fit every pocketbook.

Joe Weissmann is wearing Max's original "Park Lounge" 2 button single-breasted, patch pocket suit—"A dating favorite". The ever popular one button "Copa Cardigan" is worn by John Kuntz. A sensational sports jacket, one button, double-breasted "Lounge Model". Mary Ann Keller and Jean Hamlin give their smiling approval of the boys' choice.

At this time we acknowledge our appreciation to the Robbins Music Corporation for granting us permission to quote so extensively from their copyright, **Ballad for Americans**. We have tried our best to present its message but it really cannot be done without the glorious music. Whenever we most desired an idea, we have played the records for inspiration. If our theme has gone across, you will buy these records and play them for yourselves; you will listen to your school choirs sing the magnificent score. We recommend **Ballad for Americans**.

The Western Hills Annual Staff of '49

The interpretive photography on the following pages, the opening section, and throughout the rest of the book is the work of Russell R. Benson. We devote this page to the acknowledgment of our debt to him and our grateful appreciation. Without him what we have tried to do in this book would have been impossible. We have attempted to go a little beyond most annuals in picturing not only day by day life in a modern high school but also one phase of the great ideals which motivate that life and are its reason for being. We believe that by so doing we can accomplish a serious educational purpose in a manner which is possible through no other medium. When students and their parents see the great ideal of brotherhood and a better world so beautifully expressed in **Ballad for Americans**, portrayed through pictures of themselves and their daily activities, we hope it will enter into their souls as never before. Only thus can America rise to her great destiny which her present position of leadership in the world has thrust upon her.

Because we believe this so firmly we have had joy in working so hard on this book. But would have been helpless without "Uncle Russell". "How can we illustrate the message of the **Ballad** in our closing section?" "Where can we find the material for the abstracts on page 7?" "The only way we can get that idea across is with a montage. Will you make us one?" "Uncle Russell" would wrack that creative brain of his for a while, come up with an idea, and then **execute** it for us in photography. Somehow in spite of confused schedules, howling mobs of students, plates that didn't fit, seemingly insoluble problems, our book is finally finished almost exactly as we wanted it. That this has been accomplished is due in no small part to Russell R. Benson. The Western Hills Annual Staff of '49 says an inadequate "Thank you."
